Explanation
Revision based on September 14, 2020 Errata Sheet 2 to report of Nancy K. Young, Ph.D., which states "Peer Mentor Services, such as the START program: 'Cost Estimates' column should state '\$12,500 annually per family'". August 3, 2020 Young report had listed "\$30,000 annually per family." Appendix D to Dr. Alexander's report, Tab 4C. Families and Children, row 54, specifies "Peer/family mentoring services cost per family."
